SUPPORTING PROSTATE CANCER RESEARCH

SPONSORSHIP PROPOSAL

Help us hit prostate cancer off the green
and beat the most common cancer in Australian men.

www.golfday.com.au

Join Us for a Day of Golf That Makes a Difference.

The Rotary Club of Manningham City invites you to an exclusive Charity Golf Day at the prestigious **Heritage Golf & Country Club** on **Friday, 20 March 2026**. Enjoy a memorable day on the private course with an **8:30 am shotgun start**, while supporting a vital cause — **Prostate Cancer Research**.

All proceeds from the event will go directly toward funding initiatives that make a real impact in the lives of those affected by prostate cancer.

We've enclosed a copy of our **sponsorship packages**, which detail the event, available sponsorship opportunities, and the benefits of getting involved.

THE FORMAT OF THE DAY INVOLVES:

-  Player registration, refreshments, and light breakfast from 7:30am
-  Ambrose competition starting at 8:30am with all players in carts
-  Two Course lunch and presentations in the club house from 1:00pm

Your commitment to improving health outcomes in our community is deeply valued. Thanks to the generous support of sponsors like you, we continue to make meaningful progress in the care and treatment of men affected by prostate cancer — and in providing vital support to their families.

We warmly invite you to be part of this impactful event, open to individuals and organisations who wish to enjoy a day of golf at the prestigious **Heritage Golf & Country Club**, while contributing to a worthy cause.

For more details, please visit **www.golfday.com.au**. If you'd like to discuss any aspect of the event or explore sponsorship opportunities, feel free to contact me directly at **0409 137 477**.

Yours sincerely,
Soula (Ganiatsas) Drummond

WHY PROSTATE CANCER?

- Prostate cancer is the most diagnosed cancer in Australian men.
- Over 26,000 Australian men are diagnosed with prostate cancer each year.
- Over 250,000 Australian men are living with a diagnosis prostate cancer.
- 13% of all male cancer deaths are due to prostate cancer.
- Diagnoses among men aged 40–49 have increased 6.7-fold since 2000.
- Almost 3,900 Australian men die of prostate cancer each year.

Why are we asking you to be involved?

- Every day 72 Australian men will be told they have prostate cancer.
- 1 in 6 men have a risk of developing prostate cancer by the age of 85.
- Prostate cancer is the most diagnosed cancer in Australia men.
- 10 families lose a loved one to prostate cancer every day.
- 70% of research applications are unfunded.
- Prostate cancer research receives only about half the funding compared to other major cancers in Australia.

WHAT THIS FUNDRAISING EVENT CAN ACHIEVE

- ▶ **\$12,500** — could provide funding for a researcher working for one month on a project to reduce side – effects post treatment.
- ▶ **\$30,000** — could provide funding for a senior scientist for three months working on a project to improve treatments for prostate cancer that has spread to the bones.
- ▶ **\$50,000** — could fund a project to improve early–diagnosis for men with a family history of prostate cancer.

Supporting World-Leading Prostate Cancer Research

Proceeds from this event will be donated to the Prostate Cancer Research Group at Biomedicine Discovery Institute, Monash University, to fund world leading, innovative research. The research team takes a translational approach, combining laboratory-based studies with real patient tissue samples. Their work is deeply collaborative, involving clinicians, patient advocates, and international partners to address urgent questions in prostate cancer care.

Recent breakthroughs include:

- Development of new preclinical models using patient-derived cells to better understand aggressive forms of prostate cancer.
- A groundbreaking blood test that detects DNA mutations in prostate cancer, helping doctors personalise treatment decisions without invasive biopsies.
